### THE OPTIMIZED WOMAN

with Miranda Gray

THURSDAY 17 SEPTEMBER, 7.00 PM

We women have an unrealised powerhouse of tools we can use to increase our performance, create lasting well-being, achieve our goals, improve our relationships and create the work and life we desire. During the menstrual cycle we can experience days of heightened abilities and skills and when we are aware of these Optimum Times we can

use them practically to get ahead, to excel and create the life we want! Every month is a new opportunity to live life to the full and reach our greatest potential! If you want to get ahead, get a cycle!

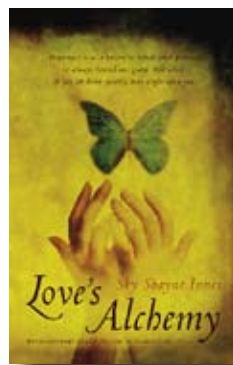

MIRANDA GRAY, based in the UK, has a background in science and art. Miranda is also the author of *Red Moon — Understanding and using the gifts of the menstrual cycle*, which has been translated into five languages.

### THE SACRED WAY OF THE HEART

with Sky Shayne Innes

TUESDAY 29 SEPTEMBER, 6.30 PM

According to ancient wisdoms from every path, there is nothing more powerful than love. The intelligence of the universe is the intelligence of the heart. Our hearts are the portal to our universal self, our god self. Heart-centeredness is God-centeredness. Aligned with a directive so full of wisdom, we create differently and live more fully. In a universe of infinite potential, this aware-

ness opens us to possibilities beyond anything we can currently conceive. This is the foundation of Love's Alchemy, a compelling new allegory that awakens our awareness to the transformative power of love.

SKY SHAYNE INNES, author of *Love's Alchemy*, focuses on the transformative power of love. Her invitation is to awaken to your true nature and thereby fulfill your purpose.
